

## Guideline for DG Exemption and Material Safety Data Sheet (MSDS) Verification

Please follow the below checkpoints before submitting the MSDS and related documents for verification:

- 1) The MSDS must be in PDF format with either manufacturer or booking party's company chop is required on MSDS and issued within 5 years
- 2) Test certificate for sea transport (Sea Certificate) must be in PDF format and issued by China National Accreditation Service. For Recognized Test Center, please visit via below link:  
<https://las.cnas.org.cn/LAS/publish/externalQueryIB.jsp>
- 3) The MSDS must include "Product Name", "Transport Information" and "Composition / Information on Ingredients" sections
- 4) The MSDS should clearly declare whether the commodity is regulated by IMDG Code or not
- 5) Section numbers in the MSDS should be in sequential order
- 6) Please submit the following information to [cn.xm.specialcargo@one-line.com](mailto:cn.xm.specialcargo@one-line.com)

**I. MSDS**

**II. Test certificate for sea transport (Sea Certificate)**
