Ocean Network Express Awarded Silver & Bronze Award for the 2018 Vessel Speed Reduction Incentive Program

3 April 2019 - Singapore - Ocean Network Express (ONE) is pleased to announce that it has earned Silver and Bronze awards for the 2018 Vessel Speed Reduction Incentive Program in the Santa Barbara Channel and San Francisco Bay areas. The awards were presented on March 6, 2019 in Wilmington, California. Captain Pan Saurastri, ONE Port Operations Manager, accepted the awards on behalf of ONE.

The Protecting Blue Whales and Blue Skies partners completed the analysis of ONE's fleet's Automatic Information System (AIS) data for the 2018 Vessel Speed Reduction (VSR) Incentive Program season (July 1 - November 15, 2018). Each partnering company was evaluated for cooperation with the request that vessels transit at 10 knots or less through the VSR zones in the Santa Barbara Channel Region and San Francisco Bay Area.

We are pleased to inform you that ONE achieved the following award tiers:

VSR Zone Region	Award Tier	Percentage of distance traveled at 10 knots or less
Santa Barbara Channel Region	Bronze	14%
San Francisco Bay Area	Silver	32%

At Ocean Network Express (ONE), we recognize the importance of environmental concerns which can have long-term impact on our well-being. Therefore, ONE is committed to take proactive measures to minimize the impact of our activities on the environment. We are devoted to fulfilling our compliance obligations and to continually improve our environmental management system to further enhance our environmental health.
