ONE does our part for World Cleanup Day

ONE commemorated World Clean Up Day (20th September 2024) with a month-long campaign involving offices worldwide, where ONE employees came together to clean up beaches and waterways as part of our #ONEOCEAN initiative.

This year, ONE is proud to partner with and support a number of environmental organisations, including: Alliance for the Great Lakes, Selangor Maritime Gateway, Kenya Wildlife Service, The Nature Conservancy of Canada and Ecomar Chile.

A total of **45** clean up events were organized in **34** countries, with over **812** employees participating in cleaning up **more than 3000 KG of trash**.

We would like to thank Magentians, as well as our friends, family, and industry partners for their enthusiastic participation in protecting ecosystems and creating positive change in our communities. Have a look at photographs from featured events below!

Location: East Coast Park, Singapore (GHQ)
Event: Beach clean up
